PAN INDIA DISTRIBUTION NETWORK

Deco+ WPC decorative panels is a flagship brand of Bombay Decoratives which has some of the widest ranges under its belt.

DECO +

Deco + panels are decorative panels which are widely used in designing upscale residential & commercial projects. This panel are mixture of charcoal & polystyrene proportionately. Deco + incorporates strength to the product whereas styrofoam made from recycled thermocol make the product resistant to warping in addition, Deco + panels are waterproof & fire retardant. They can be used on inside as well as outside surfaces & can be painted.
