INTERLOCKING LOUVERS

FLUTING INTERLOCKING LOUVERS

Ashoka Foam Group was established in 1987. Alutuff brand is a leading manufacturer and exporter of Aluminium Composite Panels, Aluminium Composite Wall Panels and Aluminium Composite Roof Panels. We have world class and advanced level of super wide aluminium panels, widely used for construction of residential and commercial buildings.

With the new research of customers and architects design and need now Alutuff has come up with its **FLUTING PANELS**. The lustrous designs cater to the need of the interior, architects and its customers. We can also customise requirements, so we warmly welcome customised product orders according to clients. Alutuff Fluting Panels has wide usage as panel applies in Balcony, Interior & Exterior Cladding, Canopy Gates, Fence, Railing, Roof, Columns Covers and Beam Wraps.

Alutuff is leading and one of the largest manufacturers of Aluminium Composite Panel in India. We play a very important and vital role in introduction of new ranges at regular intervals and focus on those products which can be the best and enthuse our customers. It's through our commitment to our product quality.
